STAY ON THE TRAILS

We would like to give a huge shout out and thank you to all the landowners! Without them there would not be a trail system. Please stay on the trails and obey all signs. Our trails are very well marked and our landowners are pretty tolerant so please stay on the trails! Every year it gets harder to even connect the trail system. Please respect the Redfield residents by keeping the noise and speed down while going through town. With this said, PLEASE STAY OFF THE RESERVOIR! It is not a trail and very unsafe since the large rocks around the reservoir have not been removed.
