GROOMER BARN UPDATE

Our building shell is nearing completion, and we are eager to begin electrical, mechanical, and HVAC work, as well as finish work. This is a massive project, and much more is needed to complete it. We are seeking materials, equipment and labor to see it through to completion. Building materials are also accepted. To name a few, we will need the following: insulation, drywall, plumbing, electrical items, paint, metal panel, concrete, and HVAC. Please get in touch with Bill Brasser at treasurer@redfieldsnow.com or 585-749-0795 if you would consider donating material. Bill will direct your information to the building committee. Thank you in advance!

PATRON FUN

Our Patron fund supports the new barn, please consider donating. Monetary donors will be recognized on a commemorative plaque to be hung in the new groomer barn. All donations are tax deductible.

If you would like to donate to our Patron Fund, please contact our Secretary, Kathy Frey at secretary@redfieldsnow.com or 585-377-0020.

STAY ON THE TRAILS

We would like to give a huge shout out and thank you to all the landowners! Without them there would not be a trail system. Please stay on the trails and obey all signs! Our trails are very well marked and our landowners are pretty tolerant so please stay on the trails! Every year it gets harder to even connect the trail system. Please respect the Redfield residents by keeping the noise and speed down while going through town.
